**FEATURE
BENEFIT**

Customizable Booth and Graphics

Innovative FOTO's creative and marketing teams can easily customize booth assets to match any location and align with brand guidelines. Our booths can also provide seasonal and special event graphics!

POWERED BY

All of Innovative Foto's photo booths utilize DNP dye-sublimation printers. DNP printers are known for their exceptional quality and durability. DNP printers produce amazing prints resistant to fading, peeling, and cracking. This means that your guest's precious memories will remain vibrant and intact for years to come.

DNP, founded in 1876, is the world's largest diversified printing/coating technologies company. Over 25 years ago, DNP was one of the earliest organizations to pioneer dye-sublimation media and the first company to start business development in thermal transfer ribbons. DNP has since grown to be the world's largest manufacturer of dye-sublimation media and thermal transfer ribbons. For more information, please visit www.dnp.co.jp/eng.

INDOOR PHOTO BOOTHS

Innovative FOTO's indoor booths make great additions to any indoor space and provides a unique photo experience for guests without the need for costly staffing.

All booths are manufactured with state-of-the-art hardware and software, including DNP's dye-sublimation printers, and can be custom designed to match any location and enhance the environment in which it resides.

OUTDOOR PHOTO BOOTHS

Innovative FOTO's outdoor booths are designed to resist fading and other weather-related damage for up to 10 years.

All outdoor booths include the same state-of-the-art hardware and software as our indoor booths, including DNP's dye-sublimation printers.

BACKGROUND REMOVAL KIOSK

Innovative FOTO's self-service kiosk system provides a unique choose-your-own-background photo experience.

The intuitive system removes the venue's background and replaces it with a fully customizable background. Customers can then choose branded foreground options that fit any venue and provide guests with a unique lifelong memory.

REMOTE FOTO ZONE

Introducing Innovative FOTO's Remote Foto Zones!

They create one-of-a-kind guest experiences in venues ranging from zoos, aquariums and museums to specialty retail. Powered by DNP's Smart Capture technology, this photo system will engage your guests by creating unique photo opportunities that cannot be captured using their cell phone cameras. Guests have a new, fun experience and receive a great photo print. Venues are able to activate special locations in their facility and reinforce their brand in the final images received by guests.

Remote Foto Zones is a unique, user-friendly guest experience without the need for costly staffing. Innovative FOTO's revenue sharing program allows businesses to generate additional revenue from their current photo booth without risk or major startup costs.

6" x 8" Postcard size

NAMEMAKER

Using the intuitive touch-screen interface, guests select from a library of fun fonts and interchangeable backgrounds to create a one-of-a-kind souvenir print.

Perfect for placemats, door signs, cubbies and more, NameMaker prints can be customized with your branding, or have fully tailored alphabet sets developed exclusively for your attraction.
